1 Services

Plate Inox Cut

We cut inox plate with any size.

Details:

We cat INOX plate with desired size.

We have INOX Plate in Type:

- 304
- 316 (better choice if near to sea)

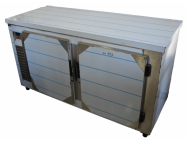

Finish:

- Shattered
- Shotch
- 2B
- Polished
- Non-slip
- Perforated

Available Thicknesses:

- 0.5 (2B AISI 304)
- 0.6 (2B AISI 304, 2B AISI 316, AISI 304 Non-slip)
- 0.7 (2B AISI 304, 2B AISI 316, Scotch AISI 304)
- 0.8 (AISI 304 Grinding, 2B AISI 304, 2B AISI 316, Scotch AISI 304, AISI 304 Polished, AISI 304 Perforated, AISI 304 Non-slip)
- 1.0 (2B AISI 304, 2B AISI 316, Scotch AISI 304, AISI 304 Perforated)
- 1.2 (2B AISI 316, Scotch AISI 304, AISI 304 Grinding)
- 1.25 (AISI 304 Grinding)
- 1.5 (2B AISI 304, AISI 304 Perforated)
- 2.0 (2B AISI 304, AISI 304 Perforated)
- 2.5 (2B AISI 304)
- 3.0 (2B AISI 304)
- 3.5 (AISI 304 non-slip)
- 4 (2B AISI 304)

Personalize Fridge

We make personalize fridge. We build the structure and electrical cables.

Details:

We make personalize fridge. We build the structure and electrical cables.

Wash hands with pedal

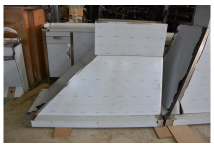

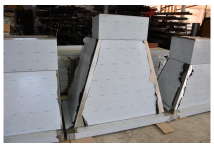

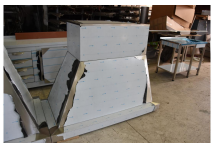

Wash hands by measure

Details:

Wash hands of configuration to the measure of the client.
Pedal with and without timer for tap activation.
The faucet and the pedal with or without timer may come pre-installed.

Smoke Catcher

We build personalize structure to catch smoke.

Details:

Hottes with the required customers requirement for extraction if fumes from a domestic or industrial kitchen.

This may or may not have a filter box.

Table Top

Tops made with the measure intended by the customer.

Details:

Tops made with the measure intended by the customer.

Personalize Workbench

Workbench personalize by client.

Details:

Workbench personalize by client.

The workbench could has:

- Drawers
- Bread Tinsel
- Coffee Tinsel
- Sliding doors
- Opening doors
- Closed sides
- Back
- Dump holes
- Shelves

Personalize Shelves

We make shelves with personalized sizes.

Details:

We make shelves with personalized sizes.
The shelves can be fixed by pulleys, customer defined number.
Shelf brackets can be reinforced for added weight.

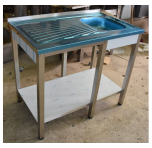

Personalize Drawers

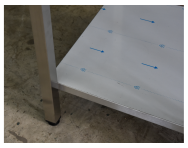

We make Drawers with measurement define by client.

Details:

We make Drawers with measurement define by client.
- Handle at customers choice
- Possibility of putting a lock

Domestic Dishwasher

Custom-Made Domestic Dishwasher

Details:

Domestic custom-made dishwashing required by customer.
Wide range of sinks you can choose to place on the countertop.
This to have:
- Drawers
- Bread Tinsel
- Coffee Tinsel
- Sliding doors
- Opening doors
- Closed sides
- Back
- Dump holes
- Shelves

Industrial Dishwashers

Industrial Dishwashers custom-made.

Details:

Wash custom-made Industrial lotions required by the customer.

Wide range of sinks you can choose to place on the countertop.

Could have:
- Drawers
- Bread Tinsel
- Coffee Tinsel
- Sliding doors
- Opening doors
- Closed sides
- Back
- Dump holes
- Shelves

Tray Door

Custom-make Tray Door

Details:

Custom-made stainless steel frame for storing trays.

The base can be set on wheels for easier travel.

Its wheels may contain brakes.

INOX Table

Custom-make table by the client.

Details:

Stainless steel tables custom-make. Size of the table to be set and height of the table to be customized.

Custom-Make Greenhouse

Greenhouses with measures intended by the customer. Configurable the doors and drawers.

Details:

Greenhouses with measures intended by the customer. Configurable the doors and drawers.

Wardrobe

Cabinets with customer defined measurements.

Details:

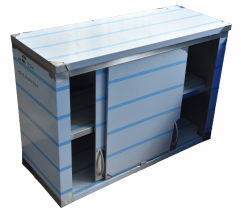

Cabinets with customer defined measurements.

Wall Cabinets

Wall cabinet by measure
to be defined by the client.

Details:

Wall cabinet by measure to be defined by the client.
It can have both open and sliding doors.
Its interior may contain intermediate shelves.

Sheet Metal Bending

Stainless steel sheet bending in the desired manner.

Details:

Bending of stainless steel sheets of the desired size.
We have plates with type:
- 304
- 316 (Better if near to the sea)

Finish:
- Shattered
- Shotch
- 2B
- Polished
- Non-slip
- Perforated

With available thicknesses:
- 0.5 (2B AISI 304)
- 0.6 (2B AISI 304, 2B AISI 316, AISI 304 Anti-Slip)
- 0.7 (2B AISI 304, 2B AISI 316, Scotch AISI 304)
- 0.8 (AISI 304 Blunt, AISI 304 2B, AISI 316 2B, AISI 304 Scotch, AISI 304 Polished, AISI 304 Preffered, AISI 304 Anti-Slip)
- 1.0 (2B AISI 304, 2B AISI 316, Scotch AISI 304, AISI 304 Preffered)
- 1.2 (2B AISI 316, Scotch AISI 304, AISI 304 Esmorilated)
- 1.25 (AISI 304 Esmorilated)
- 1.5 (2B AISI 304, AISI 304 Preffered)
- 2.0 (2B AISI 304, AISI 304 Preffered)
- 2.5 (2B AISI 304)
- 3.0 (2B AISI 304)
- 3.5 (AISI 304 Anti-Slip)
- 4 (2B AISI 304)

Refrigerated Showcase

Refrigerated showcase to expose meat or fish, made in a personalized way.

Details:

Refrigerated showcase to expose meat or fish. Its size can be determined by the customer.

Refrigerators Cabinets

Custom-made refrigerator cabinets.

Details:

Custom-made refrigerator cabinets.

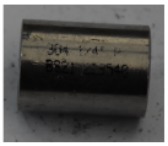

2 Products

2.1 INOX Accessories

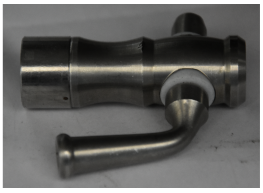

2.1.1 Accessories - Faucets

Small Proof Tap with 1/4 Inch Stainless Cap

Faucet to fit into a container of liquid substances.
Ex: wine, olive oil etc.
cap inox little tap

Small Proof Faucet with Stainless 3/8 Inch Socket

Faucet to fit into a container of liquid substances.
Ex: wine, olive oil etc.
cap inox little tap

Small taps with 1/2 inch stainless steel socket

Faucet to fit into a container of liquid substances.
Ex: wine, olive oil etc.
cap inox little tap

Small taps with 3/4 stainless steel socket

Faucet to fit into a container of liquid substances.
Ex: wine, olive oil etc.
cap inox little tap

Small Proof Tap with Cap A2 1 Inch

Faucet to fit into a container of liquid substances.
Ex: wine, olive oil etc.
cap inox little tap

2.1.2 Accessories - Faucets INOX AISI 316

Valpre Tap 2000 WOGPN140 AISI 316 1/2 inches

Adaption from tap to hose.
316 adaptation hose screw tap threaded

2.1.3 Threaded Accessories INOX AISI 304

Threaded Knee 90 F / F INOX AISI 304 1/4

304 90 female inox junction knee threaded

Threaded Knee 90 F/F INOX AISI 304 3/8

304 90 inox knee threaded

Threaded Knee 90 F/F INOX AISI 304 1/2 Inch

304 90 inox knee threaded

Threaded Knee 90 F/F INOX AISI 304 3/4

304 90 inox knee threaded

Threaded Knee 90 F / F INOX AISI 304 1 inch

304 90 inox knee threaded

Knee Reduction 90 F/F AISI 304 3/4X1/2 inches

304 90 inox knee threaded

Threaded Knee 90 M/F INOX AISI 304 1/2 inch

304 90 inox knee threaded

Threaded Knee 90 M / F INOX AISI 304 3/4 Inches

304 90 female inox junction knee male

Threaded Knee 90 M / F INOX AISI 304 1 Inch

304 90 female inox junction knee male threaded

T Threaded AISI 304 1/2 inch INOX

304 female inox pipe t threaded

T Threaded INOX AISI 304 3/4

304 female inox junction pipe t threaded

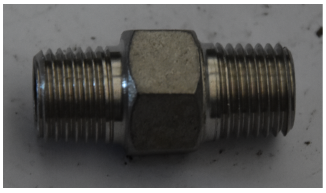

T Threaded INOX AISI 304 1 Inch

304 female inox pipe t threaded

Double Hexagonal Bushings M/M INOX 304 1/4

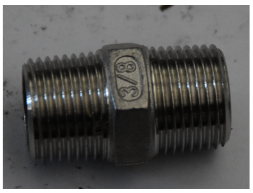

304 cap hexagonal inox male pipe

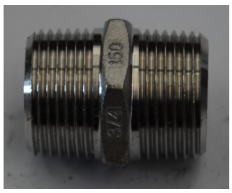

Double Hexagonal Cap M/M INOX AISI 304 3/8 inch

304 cap inox male threaded

Double Hexagonal Bush M/M AISI 304 3/4 Inch

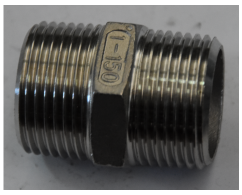

304 cap double hexagonal inox male

Double Hexagonal Cap M/M AISI 304 1 Inch

304 cap double hexagonal inox pipe

Screwed connection F / F INOX AISI 304 1/4 Inch

304 female inox junction pipe round unity

Threaded F/F INOX AISI 304 3/8 Inch

304 female inox junction pipe round unity

Threaded F/F INOX AISI 304 3/4 Inch

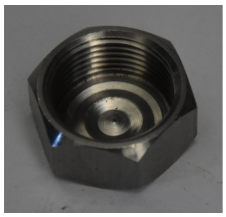

304 female inox junction pipe round unity

Screwed connection F/F INOX AISI 304 1 Inch

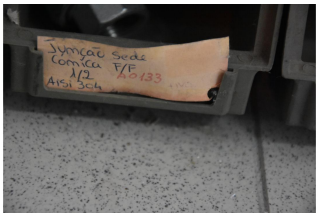

304 female inox junction pipe round unity

Hexagonal Female Cap INOX AISI 304 3/4 Inch

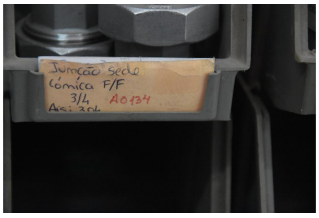

Cap for closure of 3/4 inch male threaded tube.
304 female inox pipe plug round

Conical Headquarters F / F INOX AISI 304 1/2 Inches

304 conical female inox junction threaded unity

Cone Seating Joint F/F INOX AISI 304 3/4 Inch

304 female inox junction thirst unity

Stainless Steel AISI 304 3/4 Inch Tip

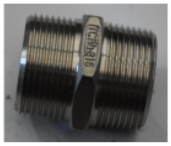

304 inox threaded tip

Threaded Tip AISI 304 INOX 1 for 1/4 Inch

304 inox round threaded tip

2.1.4 Threaded AISI 316 INOX Accessories

Threaded Knee 90 F/F INOX AISI 316 1/2 inch

316 inox knee screw

Threaded Knee 90 F/F INOX AISI 316 3/4 Inch

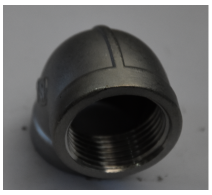

316 inox junction threaded

Threaded Knee 90 F/F INOX AISI 316 1 Inch

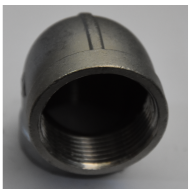

316 inox knee screw threaded

Threaded Knee 90 F/F INOX AISI 316 1 for 1/4 inch

316 inox knee screw threaded

Knee Reduction 90 F/F AISI 316 1 to 3/4 inch

316 inox reduction threaded

T Threaded INOX AISI 316 1/4

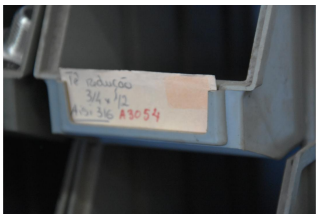

316 inox t threaded

T Threaded INOX AISI 316 3/8 Inch

316 inox t

T Reduction INOX AISI 316 3/4 for 1/2 Inches

316 inox t threaded

T Reduction INOX AISI 316 1 to 3/4 inch

316 inox reduction t threaded

Double Hexagonal Bushings M/M INOX AISI 316 1/4

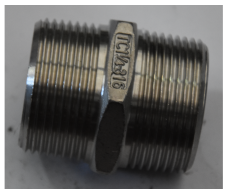

316 adaptation cap double hexagonal inox junction threaded

Double Hexagonal Cap M/M INOX AISI 316 1/2 Inch

316 adaptation cap double hexagonal inox junction

Double Hexagonal Bush M/M INOX AISI 316 11/4 Inch

316 adaptation cap double hexagonal inox junction threaded

Nut Reduction M/F INOX AISI 316 1/2 to 3/8 Inches

316 female hexagonal inox male nut

Nut Reduction M/F INOX AISI 316 3/4 for 1/2 Inches

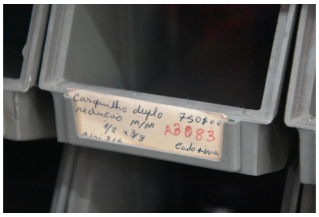

316 cap female hexagonal inox male tip

Nut Reduction M/F INOX AISI 316 1 to 1/2 Inches

316 female hexagonal inox male nut

Double Cap Reduction M / M AISI 316 1/2 to 3/8 Inch

316 cap double inox male reduction threaded

Double Cap Reduction M/M INOX AISI 316 3/4 for 1/2 Inches

316 cap double inox male reduction threaded

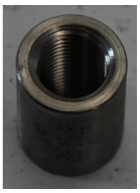

Double Cap Reduction M/M INOX AISI 316 1 to 3/4 Inches

316 cap double inox male reduction threaded

Screwed Joint F/F INOX AISI 316 1/4 Inch

316 female inox threaded unity

Threaded F/F INOX AISI 316 3/8 Inches

316 female inox threaded unity

Screw Joint F/F INOX AISI 316 1/2 Inch

316 female inox threaded unity

Threaded F/F INOX AISI 316 1 Inch

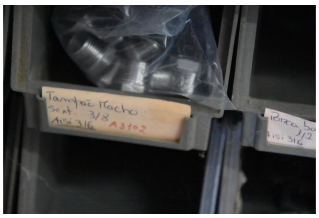

316 female inox threaded unity

Screwed F/F INOX AISI 316 1 for 1/4 Inch

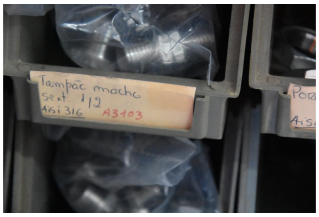

316 female inox threaded unity

Taco Male Stainless Steel AISI 316 3/8 Inches

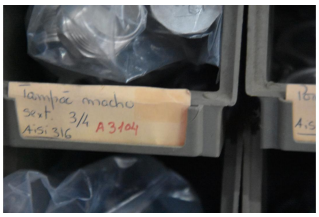

316 aisi cover hexagonal inox male

Taco Male Stainless Steel AISI 316 1/2 Inches

316 aisi cover hexagonal inox male

Taco Stag Male INOX AISI 316 3/4 Inches

316 aisi cover hexagonal inox male

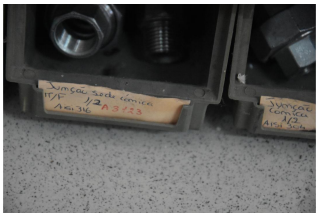

Suede male cap INOX AISI 316 1 Inch

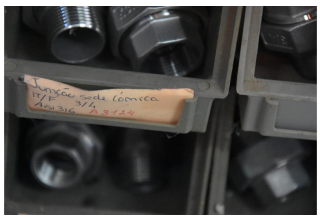

316 aisi hexagonal inox plug

Conical Headquarters M/F INOX AISI 316 1/2 Inches

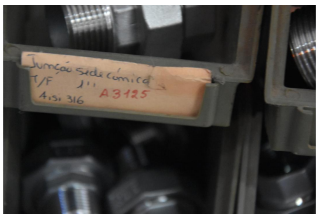

316 conical female inch junction male thirst

Joint Conical Headquarters M / F INOX AISI 316 3/4 Inches

conical female inch junction male thirst

Conical Headquarters M/F INOX AISI 316 1 Inch

conical female inch junction male thirst

Joint cone seat F/F INOX AISI 316 1 inch

316 conical female inch inox junction thirst threaded

Union reduction F/F INOX AISI 316 1 to 3/4 Inch

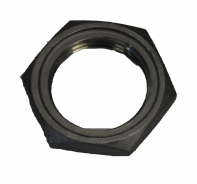

316 aisi female inch reduction threaded unity

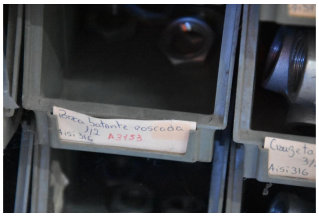

Locking Nut INOX AISI 316 3/8 inch

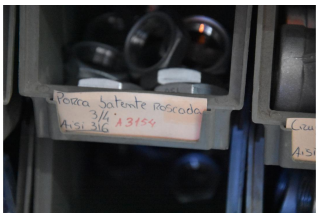

316 hexagonal inch inox knocker nut threaded

Stainless Steel AISI 316 1/2 Inch Threaded Rod Nut

316 hexagonal inch inox knocker nut threaded

Locking nut Threaded INOX AISI 316 3/4 Inch

316 hexagonal inch inox knocker nut threaded

Threaded Rod Nut INOX AISI 316 1 Inch

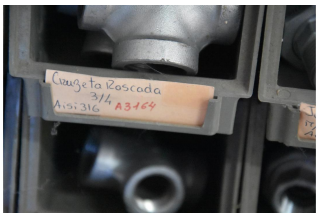

316 hexagonal inch inox knocker threaded threaded

Inox Crosspiece INOX AISI 316 1/2 Inch

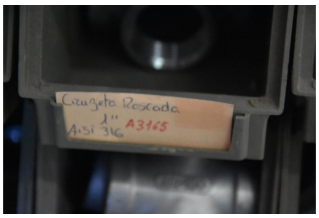

316 crosshead inox threaded threaded

Threaded Crosspiece INOX AISI 316 3/4 Inch

316 crosshead inox threaded threaded

Threaded Crosspiece INOX AISI 316 1 Inch

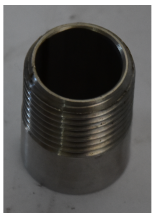

316 crosshead inox threaded threaded

Threaded Tip INOX AISI 316 1/4 Inch

316 aisi inox round threaded tip

Stainless Steel Tip INOX AISI 316 1/2 Inch

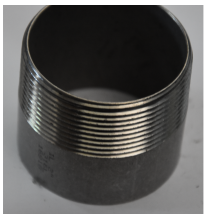

316 aisi inox round threaded threaded tip

Stainless Steel Tip INOX AISI 316 1 Inch

316 aisi inox round threaded threaded tip

Stainless Steel Tip INOX AISI 316 2 Inches

316 aisi inox round threaded tip

2.1.5 Welding Accessories INOX AISI 304

Bend 90° Welding INOX AISI 304 20X1.5

304 90 curve degrees inox

Bend 90° Welding INOX AISI 304 28X1.5

304 90 curve degrees inox junction

Bend 90° Welding INOX AISI 304 30X1.5

304 curve inox

Bend 90° Welding INOX AISI 304 38X1,5

304 inox pipe

Bend 90° Welding INOX AISI 304 40X1.5

304 inox weld

Bend 90° Weld INIS AISI 304 42.4X2

304 90 curve degrees inox pipe weld

Bend 90° Weld INIS AISI 304 48.3X2

304 inox pipe weld

Bend 90° Welding INOX AISI 304 73X1.5

2.1.6 Welding Accessories INOX AISI 316

Soldering Collar INOX AISI 316 50.8X1.5

collar inox weld

Bend 90° Welding INOX AISI 316 25X1.5

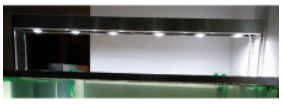

316 inox weld

Bend 90° Welding INOX AISI 316 50.8X1.5

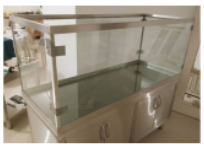

316 inox pipe weld

2.2 Pets

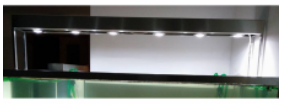

2.2.1 Fish

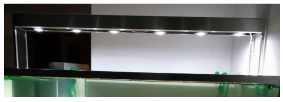

Ornamental Aquarium

316 aquarium fish fish glass inox

Lighting system for aquarium

Tailor-made structure so it can fit into the aquarium.

The number of lamps and their power can be selected. Depending on the angle of the lights the height of the stand is made accordingly.

Depending on the lights it may be necessary to add a transformer.

aquarium inox light lighting lights support

Aquarium Table

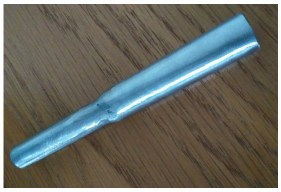

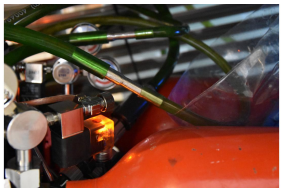

Stainless steel table built to hold weight of aquarium.

This can be done with the customer
ś choice. The configuration can be customized. Have sliding or unlock doors. The furniture has grills or not, side open or closed.

aquarium doors grills inox movable reinforced table

Tubes Adapter

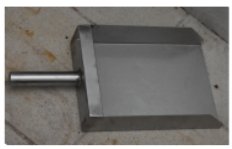

Adaptation between rubber pipes of different diameters. This adaptation is made according to the diameters of the tubes to be put together.

Normally this adaptation is necessary when the filter uses a diameter and some intermediate equipment uses another diameter.

adaptation aquarium fish fish inox junction pipe
